Our experienced team will promptly troubleshoot and resolve your challenges and ensure you can continue your day-to-day business with as little disruption as possible.

Sample Project

The OAK PM team assisted in the post-flood cleanup when the floodwaters had adequately receded, and roadways were cleared of water, fallen debris, etc.

- Clean up any remaining water residue.
- Make safe all water-damaged electrics.
- Dispose of all water-damaged stock.
- Store any salvaged stock equipment for re-use.
- Mop/Wet/Dry vac mud /dirt using a wet/dry vacuum.
- Supply dehumidifiers and heaters to help dry out soaked-in moisture in walls and floors.
- Strip out flooring, slatboard shelving, kitchen units, etc.
- Provide industrial cleaning.

Commitment to Quality

Quality is in our DNA! Our team is committed to providing our clients with quality service, material and products, backed up by recognised certification in everything we do.
